OUR PAST & PRESENT

The Women's Business Council of Champaign County was formed in 1985. From the beginning, the organization was open to all women employed in our community with the goal of providing a forum for members to discuss career goals, foster leadership skills, and increase professional contacts. That tradition continues today.

Our organization thrives through the participation of its members on 11 different committees. Through these committees, WBC provides monthly luncheon programs, a newsletter, community support, the opportunity for continuing education through scholarship awards, and the availability of social networking events.

The world may have changed since 1985, but some things remain the same. We are still committed to giving our members ample opportunities for personal and professional growth. We invite you to become a WBC member to invest in your future and the future of your community!

Guests are welcome to attend two WBC meetings prior to joining.

For Federal Income Tax Purposes, payments to WBC are deductible for most businesses as an ordinary and necessary business expense. They are not deductible as a charitable contribution.

Luncheon locations and presentations are selected by the Program Committee. Visit our website for more information at www.wbccc.org.

Arrive at 11:30 to network with other members. This 1/2 hour is set aside for you to meet and greet new members or reconnect with current members. The meeting begins promptly at noon.

Members are encouraged to pre-pay for luncheons each year with their membership dues. This confirms a standing reservation for the year and you won't have to worry about the RSVP deadline. Prepaid luncheons are non-refundable but are transferable to another member or guest.
